## CUSTOM FABRICATED INSULATION PADS AT PYRO SHIELD

We specialize in custom fabricated insulation pads fabricated specifically to your preference. Our PS-2000 pads are designed with a steady state temperature of 1,800°F and will replace single use ceramic fiber blankets that cause handling, durability and safety issues.

### *Our custom fabricated insulation pads are:*

- Able to offer quality insulation and protection to your application
  - Made with noncarcinogenic insulation and fabrics
- Fabricated to size with the dimensions your applications require
